Membership Applicant Cruise Participation

Applicants for membership are able, and encouraged, to attend club cruises during the approval process. This is an opportunity for the potential member and existing members to meet and get to know each other, as well as providing the chance for potential members to experience a POYC cruise.

In order to attend, the applicant's sponsor must sign-up the applicants using the normal cruise registration process, paying the appropriate fee. Reimbursement for the cost of registration is entirely between the applicant and their sponsor.

The applicant may attend the cruise on the sponsor's boat or may bring their own boat. If bringing their own boat, the sponsor is not required to attend, although that is encouraged. (Moorage charges may be additional.)

Upcoming cruises can be found on the [POYC Cruising page](#)
