

WIC 2026

Calling all Port Orchard Yacht Club Ladies! I am excited to remind everyone that we are hosting the October WIC Luncheon at POYC. I need your help spreading the word and reminding everyone to put October 8th on your calendars and come and join us. I am also asking for help gathering baskets to auction at the event. The money we receive for the auction will be donated to the Port Orchard food bank, so help us support those in need locally! As we get closer to the event I will be announcing opportunities to help out and anyone interested will get to earn work hours and have a lot of fun while doing it. We hope to see everyone there.

Listed below are the dates and locations for the 2026 year and I will continue to post the flyers in the office at the club and on Facebook so you will all know the details as I receive them. Feel free to reach out to me with questions or to let me know if you are able to participate so I can verify the final headcounts with the host clubs.

My contact information is Natalie Brooks (480) 433-8987. I hope to see you this month!
